is enclosed herewith.

3. Terminal disclaimer with disclaimer fee

☐ Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.

☐ A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d) of \$ _____ for a small entity or \$ _____ for other than a small entity) equivalent to the number of months from abandonment to the filing of this petition is enclosed herewith.

4. Verified Statement

Applicant hereby states that the entire delay in filing a reply to the Office Action dated September 4, 2007 until the filing of this petition under 37 CFR 1.137(b) was unintentional.

We received an Office Action dated September 4, 2007. On December 4, 2007, we filed an Amendment (with transmittal). The Amendment had the correct application number (10/527,262) on the first page, but the transmittal had the incorrect application number (10/257,262) listed on the first page. The return receipt postcard also had the correct application number (10/527,262) on it. The Amendment, transmittal (with corrected cover page) and return receipt postcard (stamped as received by the USPTO) are enclosed.

On December 5, 2007, the paralegal, Suzanne Lombardo realized what had happened and contacted the Examiner (Thomas Williams) to discuss the situation. She spoke to the Examiner and he (the Examiner) stated that it would not be a problem because we responded in time and the correct application number was on the Amendment itself but he would check with his supervisor anyway and call back if there

would be a problem. The Examiner never called back, so we assumed that there were no problems.

Then, we received a Notice of Abandonment (dated May 8, 2008). On May 16, 2008, the paralegal, Suzanne Lombardo called the Examiner (Thomas Williams) to find out why a Notice of Abandonment was issued in this application. The Examiner stated that he remembered speaking to the paralegal on December 5, 2007 and is not sure why this application went abandoned. He also said that a Petition must be submitted to revive this application.

We do not believe that we should be charged the Petition fee of \$1540.00 due to the fact that the Examiner was contacted as soon as the problem was discovered (December 5, 2007) and he (the Examiner) stated that it would not be a problem. The Examiner should have handled the problem on December 5, 2007. If that was the case, the Notice of Abandonment would have never been issued.

Applicant hereby declares that all statements made herewith of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both under section 1001 of Title 18 of the United States Code and that such willful false statement may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

XXX The Commissioner is hereby authorized to charge any additional fees under 37 C.F.R. §§1.16 and 1.17 which may be required with this communication or credit any overpayment, to **Deposit Account No. 01-0467**. A duplicate copy of this Form is enclosed.
